

Home Federal Bank Est. 1920

community CARE ACCOUNT

A new, innovative way to partner with our customers and together, give back to the community.

Introducing our Community Care account. With this great product, we will make a donation of 1% of your average yearly balance to the registered non-profit of your choice.* This donation will be made in your name, once a year. Sign up for our Community Preferred or Simplified Business accounts and you will have the opportunity to add our no-cost Community Care feature.

This account is also available to employees and board members of non-profits with our Community Free Checking. If you are involved with a non-profit, talk to us about presenting this account to your group as a creative addition to standard fundraising options.

To learn more about the Community Care account, please contact your local Home Federal Bank representative.

*Non profit must be a 501(c)(3) organization and be headquartered in Central Oregon. National organizations with a local chapter (i.e. Boys & Girls Clubs of Central Oregon) do qualify. Non-profit must register with Home Federal Bank as a charitable organization if they are not currently on file. Non-profit does not need to be a customer of Home Federal Bank. There are currently 70 non-profits registered with Home Federal Bank. This donation is not tax-deductible for the customer on whose behalf the donation is made.
